

Miriam Peretz

Sacred Dance

Based in Berkeley

Miriam Peretz weaves movement and ritual together to create safe, communal spaces for healing and empowered embodiment. She is a life-long dancer who has immersed herself in the study of dance forms and sacred movement practices from around the world, focusing on Central Asian dance, contemporary dance and the mystical practices of Sufi whirling. Miriam sees dance as a uniquely powerful means of expressing deep emotion and spiritual yearning, and therefore the perfect embodiment of prayer.
